Sir:

PRELIMINARY AMENDMENT

Applicant respectfully requests that the following amendments be made to the above-identified application prior to examination on the merits.

In the Specification

Please replace the specification for the above-referenced patent application, with a substitute specification, which we enclose herein. The substitute specification is in compliance with the Rules of Patent Practice, § 1.125(b). Also enclosed with the present amendment is another, separate version of the substitute specification, marked up to show all changes relative to the previous version of the specification.

The substitute specification includes no new matter.
